**Committee Reports: Civic & Economic Development Committee:** Jeff Elliott and Chuck Wambeke - Chuck gave an update on where they are with their work on the business research. He has teamed up with the City employees to work on this project. Chuck suggested having the spreadsheet that they are creating at the Annual Dinner to populate with more information from the members and others who attend the dinner. He also suggested having a laptop set up to collect current information from members. Chuck talked about NRMED information and the committee partnering with the group to help each other. There will be a Trade Show event for local Chambers to share and educate other Chambers on what they have going on. Jeff shared information about the school board considering "shutting down" the districts (limiting new kids from coming to TF) due to the limited space in classrooms and other areas of the school. There will be a meeting on 3/19 @ 6:30pm to talk about the districts and the divisions. Jeff told the membership that there is an "App" that shows the district divisions. Diane Vinson has the App and can share more information. Jeff said 15% of kids currently in school live out of district. Jeff also shared that Corey Werner (a former NY Giants football player) who suffers from CTE, wants to fund an "all-weather" track for Three Forks School. He wants to do it anonymously.

A student at TFHS has been working on this project through his Eagle Scout project as well. More information to come on this.

**Special Events Committee:** Ranece Berg reported on the committee meeting that was held. Rodeo Dayz planning has begun and the committee will begin getting in touch with vendors. Ed Groves is interested in doing another Magic Show. The committee will contact Jack the DJ. They are also considering moving the DJ across the street for power. Kim Gelder from the Headwaters Food Bank said they are looking for a bigger fundraising event and may do something in conjunction with Rodeo Dayz. The HW Food Bank will also be doing the Summer Lunch Program for Three Forks. It is not related to the Summer Rec Program. She wants to have the Chamber help get the word out about the lunch program. The committee is open to other ideas for additional events.

**Ambassadors Committee:** Karen Walton, Brooke Leugers & Tara Forsberg - The committee is working on welcoming all new businesses to Three Forks. The ribbon cutting for Be Lazy Quilting will be held on Saturday, March 16<sup>th</sup> at noon. The Business After Hours will be held Tuesday, March 18<sup>th</sup> at 5pm at Stageline Pizza. Tanya Gonzalez will speak. The committee is making a list of the businesses who have not had a ribbon cutting yet.

**New Business:** Diane Phillips talked about this summer's Farmer's Markets. The dates are 7/11 - 9/15/2019. Diane is working on permits. She already has non-profit organizations set up to BBQ for every Farmer's Market. The Stick Horse Derby will be held 7/18 and the Chamber will be doing the BBQ. She asked if Fun Money can be used again for the weekly drawings. Everyone agreed this is good. Carolyn Nielsen will be helping Diane this summer.

**Old Business: 2019 Chamber Annual Dinner:** The dinner will be held at "The Gathering Place" in the Lewis & Clark Motel on Thursday, March 28<sup>th</sup>. There will be a business meeting at the dinner. Brooke would like each of the committees to speak at the meeting and talk about what they have going on. Each committee will have approximately 10-15 minutes. Brooke would like Katie to try to put together a slide show with pictures from Chamber events. Brooke asked Connie to send out bid invitations for the Swag bags. Some discussion on mailing dinner invitations to the non-member businesses in Three Forks. Connie will send out invitations to the non-members and the members by Wednesday. Chuck announced that Don Siefert of NRMED will be attending the Annual Dinner.

**Next Meeting:** The next meeting will be held on Monday, April 8th at noon at City Hall.

**Motion to adjourn** was made by Ranece Berg and seconded by Tara Forsberg and the meeting adjourned.

**Sixth Annual William J. Sebena  
Distinguished Service Award**

The Sixth Annual William J Sebena Distinguished Service Award will be given at this year's annual dinner on March 28th, 2019.

This award has been created by Lisa Sebena and the Lewis & Clark Motel in memory of her dad, William Sebena. Lisa has requested that the Chamber seek nominations from its members and decide on the recipient. Criteria for the award includes: he or she does not have to be a business owner to receive this award, he or she must embrace caring, charitable, and public-spirited values, and have a general regard and respect for the human race and fellow man of any background, without judgment, and can be described as an all-around good person who encompasses a generous spirit and inspires others.

Bill Sebena arrived in Three Forks in the early fifties. Through his many business adventures (including the Lewis & Clark Motel) and his family life, he added plenty of excitement and color to the town of Three Forks. The inspiration for this award is to honor the memory of Bill Sebena and his many years of concern and service to his fellow man, which was his priority throughout his life. Bill was often thought of as a humanitarian, where his primary goal was to recognize the need to help others. World Humanitarian Day is described as a global celebration of people helping people; this award highlights this very idea. It has been established to acknowledge and to recognize others who are also making a difference.
